Here are some of the important rules to remember while you are out orienteering!

- Stay as a team, work together to finish the course.
- Remember to include everyone and listen to your team! Please don't be a map-hogger, share the responsibility and give everyone a turn at leading!
- Never leave the park or go on any roads except Berkeley Drive and the Cuerden Hall driveway.
- Don't cross the motorway, go through the ford or further than the wooden bridge!
- If a gate is locked don't climb over it!
- You need to get back to the visitors centre **ON TIME** even if you haven't finished!
- If you get lost or need assistance phone the visitors centre (01772 324436), or approach a ranger and ask for help!
