CUERDEN VALLEY PARK

Orienteering **ORANGE** route

USE THESE CLUES TO HELP YOU FIND THE 10 LETTERS WITH AN ORANGE BACKGROUND.

Record the letters in the boxes and unscramble them to find the name of a bird that lives in the Park.

- An Oak tree stands there tall and proud. It's all alone. not in a crowd!
- 2 Go through the woods and you will see.
 Guarding the path is a stump that was an old pine tree.
- 3 Keep your eyes peeled so you can see.
 Is this the right path to the whiskery tree?
- 4 Notice the building on your right. It's Cuerden Hall a lovely sight.
- 5 Take a rest and have some dinner.
 On a picnic bench next to the river!
- 6 The railing leads from boat slipway.

 Turn your back on the lake here and walk straight away!
- 7 Through woodland southwards you should spy a bridge that's from the W I.
- 8 Once down the hill you should turn right. Look up and down with all your might.
- 9 Start looking for an old dead tree. That the fence keeps in captivity.
- 10 The clock up here will tell you the time. As long as the sun continues to shine.
